

Healthy Families Providers,

We have a site opening in LaGrange County. We have been notified that the current provider is unable to continue and will stop services as of 3/9/12. As you know, it is very important that our Healthy Families Indiana services remain statewide. There are currently 26 families in services and we need to put a transition plan in place for them quickly. Please contact Andrea Preston by Wednesday February 29<sup>th</sup> if you have any interest in serving this county. Please include a proposed budget for this site.

Thank you,

Andrea
